Jem And The Holograms, Vol. 2: Viral

Synopsis

Jerrica and her sisters face their biggest threat yet—success! Meanwhile, the Misfits aren't taking these upstarts lying down... as they find themselves under new management. Plus, go behind the scenes and see THE HOLOGRAMS and THE MISFITS from a whole new perspective—that of music columnist Rio Pacheco! Collects issues #7–10, the Outrageous Annual 2015, and the 2015 Holiday Special.

Product Dimensions: 6.6 x 0.4 x 10.2 inches

Shipping Weight: 14.1 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars 15 customer reviews

Best Sellers Rank: #314,115 in Books (See Top 100 in Books) #113 in Books > Comics & Graphic Novels > Graphic Novels > Contemporary Women #1521 in Books > Comics & Graphic Novels > Graphic Novels > Media Tie-In #28474 in Books > Teens

Customer Reviews

Kelly Thompson has a degree in Sequential Art from The Savannah College of Art & Design and writes comic books and novels for a living. She lives in Portland, Oregon.

I cannot begin to tell you how much this child of the 80s is enjoying IDW's JEM reboot! FANTASTIC storytelling, amazing character designs, and all the glamour, glitter, fashion and fame of the original, updated to the 21st century FLAWLESSLY.

While it uses the original characters and starting plot of the 80s series, it's been updated for the current time and has added in TONS more believability (well, ok, maybe 'cept for Synergy).

Honestly, I did miss Sophie Campbell's beautiful and exuberant art from the first volume, but the story here continues to charm and move in interesting directions. This series is one of my favorite

recent finds.

The art is great! I was kind of put off by the dreams in front of the comic but what can we say? The story that follows was worth the wait. It was a decent read.

I am loving the Jem comic books. Looking forward to the following volumes.

I am in love with this story line.

This is how you do a reboot right. Great stories with enough Easter eggs and nostalgia for fans of the original to appreciate. A must have !!

Fun comic book if your a fan of Jem
