Customer Reviews

good book

wish heres more testimonies in the book although it didn't manifest on me but it served as a good guidelines for praying for healing

A Must have for all believers of Christ... Truly insightful.

didn't like it nothing new here. sorry I got it. was not informative or useful to me

Great for me.

It's not what I was hoping for but it's well worth the price.

this book do not buy its the shortest book around about 10 pages. Total waste

Very disappointed. The book had 3 short chapters. Something is wrong here. Hate to write anything negative about a book that is supposed to be about religion, just thinking this isn't the correct book or something is wrong. Took 5 minutes to read.
