Customer Reviews

Bought for my elderly father, he's a bit confused on how to "work" it, but excited to do it.

Have worked 15 of the 1 star Sudoku puzzles from this book so far and I can tell you that they are very fun and challenging. They HUGE blocks are easy on the eyes and leave plenty of room for hints. I would highly recommend this book.

My husband and I fight over sudoku books, so I got this. Even the one star (easy) ones are quite tricky. We were used to knocking out easy ones in about 10-15 mins... these ones are taking us a bit longer, but are more satisfying when we eventually crack them!

I love doing Sudoku puzzles! The difficulty of the puzzles go from one star to three star, and each puzzle takes up a page. I like this -- no straining your eyes. Only reason I rated three star was because the binding was damaged during delivery. I don't want to go through the hassle of returning the book.

love the large print, allows me to mark inside the squares, great variety of puzzles

Bought as gift for my 86 year old dad, no complaints

Beautiful cover, top quality paper, erases cleanly.

Prompt service. Love doing Sudoku.
