An Unbelievably endearing book. Simple yet so powerful the message in the book instantly reaches the heart of not just the children but even the adults who read it! LOVE LOVE LOVE The book. We would love to see more books from the author

This book teaches the Islamic sayings for common situations. Both my kids love it. I wish there was a version in Arabic and many other books in the same series.

A fun way to introduce children to daily athkaar. My one yr old loves lift-the-flap books & this is the

only Islamic one I can find- well done!

My son loves this book. He can read it to me and the little flaps are easy to open so they don't get torn with frequent reading. This book is totally worth the price.

Great Story! Very interactive for my 1.5 year old son! He loves it :)

Not all books capture my son's attention, but this one certainly does! The flaps are a nice way to make it interactive and keep his attention. He's 2 years old and he learned to say Bismillah after reading this the first time. Also- the illustrations are beautiful...

Great way to teach my little boys daily Islamic sayings and when to say them! Love it.
