The Torts Process [Connected Casebook] (Aspen Casebook)

Synopsis

Buy a new version of this Connected Casebook and receive access to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students.

CasebookConnect offers you what you need most to be successful in your law school classes – portability, meaningful feedback, and greater efficiency. The Torts Process, Ninth Edition uses a student-friendly, procedurally-focused approach that relies on proven problem-and-cases pedagogy to illuminate the overarching structure and organization of tort law. Its lively mix of problems, cases, notes, and questions stimulate thought and discussion, while providing a firm foundation in tort doctrine, history, and theory. Comprehensive updating and expansion throughout of the casebook’s “Law and Behavior” notes which summarize social scientific and empirical research on human behavior, legal decisionmaking, and the tort system. Key Features: Expanded substantive coverage on numerous topics (e.g., market share liability, governmental immunity, insurance, and alternative compensation mechanisms). Revisions reflect contemporary concerns and challenges, such as incorporating a new problem on campus sexual assault and competing consent standards; enhancing an existing problem to raise issues concerning racial profiling/prejudice in the context of terrorist acts by Islamic extremists; and substantial updating of the intentional tort chapter to reflect debates concerning police conduct, race relations, and the psychology of prejudice. New lead cases offer compelling teaching opportunities on a variety of topics, including: The role of duty in tort doctrine The connection between actual and proximate causation The role of trespass and nuisance causes of action in the context of pollution Strict liability for abnormally dangerous activities The role of consumer expectations in design defect litigation Warning defect liability The collateral source rule Interpretation of allegedly defamatory statements The actual malice standard for defamation Commercial appropriation, *In re NCAA Student-Athlete Name & Likeness Licensing Litig.* Financial misrepresentation Tortious interference with prospective business relations The viability of Alien Tort Statute claims post-Kiobel CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework.
