every day I get to read a statement from the Dalai Lama, and it is a good course corrector on my spirit

Interesting Calendar, really like reading the message each day, very basic no pictures or colors but the content makes the calendar worth it

I buy one of these every year, that are always great, reading it daily helps my day go better and

hopefully makes me a better person.

Everyone should have a daily dose of Dali! This calendar gives me a thought to meditate on throughout the day. Love it!

Great desk calendar. We've been getting these for years. Happily no changes in (good) quality.

You can't do much better than the wisdom of the Dalai Lama. Also, lots of white space to write calendar stuff on.

The Dalai Lama's philosophies about life are so helpful! I look forward to reading (and remembering) them each day.

Thoughtful daily quotes from the Dalai Lama. Pictures would be a nice addition to the calendar.
