Customer Reviews

I ordered Secrets of A Prayer Warrior from Jenson Books online via . The book was "Used"-Good Condition. Well, knowing it was a used book, I just hoped it would be in decent condition but I was surprised and so pleased when I received the book in the mail and found it in great condition. The seller also contacted me via email to make sure all was well with the delivery and book, and guaranteeing my satisfaction. So I am very appreciative of the sellers commitment to such great service. I feel confident that I can rely on Jenson Books again anytime for books I'd like to order. As for the book itself, it looks almost new as I said, and the author is Derek Prince. Derek Prince was a well known and highly respected Bible teacher with international ministry over the years, who is now with his Lord. He is the founder of Derek Prince ministries. He was married to Lydia Prince who is

renowned in her own right. I would greatly encourage you to read about both of them and all that the Lord accomplished through their dedication and service. Anyway this book is about prayer and is so inspiring and encouraging. He covers in this book how Christians are a Kingdom of Priests. He informs on conditions for answered prayer, different types of prayer, how to discern God's will, spiritual weapons & warfare, Fasting, the Church, and the precious Blood of Jesus. It is a book that you can't just read and forget about. It is a book to be absorbed and studied to take you deeper in your christian walk than you've ever dared to go. I have other books by Derek Prince and Lydia Prince and I encourage you to read their books, it will greatly inspire you and bring growth in your life as you follow Jesus, the King of Kings & Our Savior.

You've heard about them. Maybe you've been lucky enough to know a few. Learn how to become one. Step by glorious step, Derek Prince will teach you to be the warrior you were designed to be. Take the time, make the effort. You will never look at your life and it's mission the same way, ever again. Your fellow man needs you, especially now. Pray about it, buy this book and become who you nwere meant to be.

Derek Prince is a true scholar and approaches the subject of prayer with a foundation of scholarship. Yet unlike many scholars he is able to simplify the message for the non-scholars among us. All I can say is well done.

Every christian who is serious about their faith needs to read this book. It is easy to read and clearly defines what prayer is, what it is for and how to effectively do it! It's prayer 101! Having been a christian for the last 20 years, i thought I knew what prayer was. However after reading this book, I realize that I have never really scratched the surface of being a real prayer warrior. I'm am unbelievably excited to be armed with this information and and have seen a transformation in my faith.

Truly inspired by the Holy Spirit and a warrior's prayer guide in the war between good and evil. Hang on to your bible and get ready to follow Derek Prince's journey through the scriptures. Many of us tend to underestimate the power of prayer and sometimes give up while waiting for the answer. Derek answers this and many other questions with scripture and examples of different types of prayers. My prayer life has sweetened and improved my fellowship with the Lord. It keeps getting better and better. One of the greatest joys of prayer is receiving the answers to your prayer.

Mr. Prince has reminded me again of the necessity of prayer. We are at war in this life with all that is evil, even within in our own selves. Prayer connects us to God, by the blood of Jesus and the power of the Holy Spirit. Through prayer God shows us what is true about our own hearts and those around us. Prayer is us connecting with our creator, our savior, and our comforter, all for the glory of God. What a privilege, to join God in his work, through prayer. This book will jump start your prayer life again. I highly recommend it to those who want to more deeply connect with God.

This book needs to be required reading for every disciple of Jesus. It is full of wisdom not only on prayer but also on many aspects of the Kingdom being established on earth. I cannot imagine reading a better book all year than this one right here. I will share it with anyone who will listen.

I love all Derek Prince books. This one has really helped me understand the importance of prayer and how to pray. Since my dad died I felt like my prayers weren't being answered like God had given up on me but this book has taught me just the opposite.
