Customer Reviews

I wish I could have seen the inside pages because this was very disappointed. Not really anything to

color.

The best thing about this book, after a bad day when you are pissed and want to swear off the whole world, why not do it with grace. Not only you have just colored funny words but also relaxed at the same time. Thank you once again!

Perfect book! This is a very good stress reliever for me as I swear a lot due to anger. And it definitely makes me happy to color it.
