Customer Reviews

"Overall this is one of the better books I have seen of this type. The author is obviously well versed on the subject of Tarot and has skillfully applied her knowledge to this deck.Â Highly recommended." - Michele Jackson,Â Eclectic Tarot / tarotpassages.com --This text refers to the Paperback edition.

Jean Huets is co-author, with tarot authority Stuart R. Kaplan, of The Encyclopedia of Tarot, four volumes that cover centuries of tarot production and imagery. During her tenure as senior editor at tarot publisher U.S. Games Systems, she worked on many groundbreaking tarot decks, including Motherpeace Tarot, Native American Tarot, and Brian Williams's Renaissance Tarot. --This text refers to the Paperback edition.

A fantastic, gorgeous deck that is great for beginners. Chock-full of symbology from myriad cultures and religions that makes for an intellectually satisfying experience to use.

This book gives expanded descriptions and definitions for each card. The Cosmic Tarot are a bit different from Rider Waite so the details in this book are very welcome. Of course you can use them

just the same as traditional tarot but you gain a bit more from meanings given in the book.

Gorgeous artwork. Very rich colors and design. The imagery really evokes my intuition. I've used the Mythic Tarot for 25+ years as my only deck and finally took the plunge to buy a second. I use this one now almost exclusively.

I love the helpful descriptions of the cards and meanings to work with.

These cards definitely met my expectations. They're beautiful, and simple enough to use as a beginner of Tarot readings. I'm so glad I made this purchase.

i needed this book to help me understand the deck better

Exquisite both art and feel.

I've tried many decks before picking up my first set of these cards. I use them so often I'm purchasing my third deck! I had a lot of trouble understanding the meaning behind the tarot cards until I picked up Cosmic Tarot. Everything suddenly became clear. The pictures are nice to look at and not confusing. The symbolism is clear and helpful. The court cards make more sense than any other deck out there. I highly recommend this deck for anyone.
