The book contains a lot of life experience from the author. It is an interesting read, but may put off

people who simply wish to learn how to acquire psychic ability. However, it does explain the basic practices, gives good advice, and is worth picking up if one is interested.

This book is great. It is set up how I plan on teaching Psychic classes. I highly recommend this book to anyone searching for their psychic path.

Have not yet finished this book, but I feel it is and will be a good tool to ways in accessing intuition and messages meant for me. It takes time to use this book in the way it is meant, each week focusing on the tasks that will take you within. Great author very knowledgeable it shows just how truly gifted she is ...Definitely not a fake or a fraud. This isn't someone just trying to sell a book.

I am more than halfway through this workbook. As a therapist I am impressed by the step by step clearing process that she initiates. I am enjoying exploring myself as I open to more of my psychic skills and I love her playful attitude and encouragement. I will recommend this book to anyone wanting to increase their psychic awareness.

Well written, easy to follow and very informative.

Almost every sentence of this book resounds and resonates with me! Truth rings throughout the pages and into the soul of the reader. Sonia Choquette is an amazing intuitive and clearly communicates all aspects of the path of the Intuitive-Empath-Medium with a deep spiritual essence of love.

"The Psychic Pathway" by Sonia Choquette provides some innovative tips on strengthening intuitive perception. She covers simple but important ways on being grounded and acknowledges why the term psychic carries with it the stigma that it does.
