Chuck Sambuchino (Cincinnati, OH) is an editor, best-selling humor book author, and authority on how to get published. He edits the *Guide to Literary Agents* as well as the *Children's Writer's &*

Illustrator's Market. His Guide to Literary Agents Blog (guidetoliteraryagents.com/blog)--all about agents, submissions and platform--is one of the largest blogs in publishing.

Good guide, but already seems a little out of date (some publishers say online that they're not accepting unsolicited manuscripts). Generally helpful, although not a complete substitute for browsing in libraries and bookstores, and then going online. The writers' essays at the beginning are particularly useful.

There is no better place to turn when you are interested in publishing a Children's or Middle Grade book.

A bread and butter staple for those with ambitions to write for children.

I love this book. I've been wanting to publish a children's book for years and this book has all of the resources!

best guide on the market

very informative

Bought this as a gift for an aspiring writer. Filled with good information, hints, tips, advice, resources, and of course references to publishers. Especially educational for new writers. Highly recommend it for anyone interested in writing children's stories.

A very helpful book.
