The Splitting Storm

Synopsis

Unsatisfied with the police investigation of his brother's murder, FBI agent Mick Kline embarks on a journey to discover the truth. A young blind woman holds the key, but her fear for her own life keeps her silent. Readers will be gripped by the suspense and moved by the underlying themes of faith and spiritual blindness in this novel by up-and-coming author Rene Gutteridge.

Customer Reviews

I was in the mood for mystery and suspense and Ms. Gutteridge did not disappoint. This is the third book I've read by her, and I've enjoyed them all.

The storylines and twists in the plots are well paced. Mick's character is quite believable and likeable. Renee shows compassion in her development of the female characters. As expected, this is a good read.

This was my first time reading Rene Gutteridge and I loved it! The character and story development

were right on, you were right there in the midst of the action. This book never gave the ending away and kept you intrigued by the possibilities.

A very good suspense read, with a murder mystery involved. There is a surprising twist and turns which keeps the pages turning. I wanted more romance, but you can't have everything!

This book is hard to put down. I especially like it because it's not overly romantic, but there is romance there. It is a well-written mystery.

Author keeps the pace of the story moving. Christian values and spiritual issues addressed with good presentation. No foul language or innuendos

nice read

The Splitting Storm is the first book in the series by Rene Gutteridge. Mick Kline is an FBI agent who has recently lost his brother. His brother Aaron was a cop who was shot in the back of the head while sleeping. Mick is convinced it was not just a random act. He feels it is connected to the other cop killings that have happened in the past couple years. Mick becomes obsessed to find the killer and is put on a month leave from the force. Through his research, he finds one case that has lots of missing information and tries to get to the bottom of it. Faith Kemper's husband was a cop that was also murdered. Faith was also attacked and lost her sight as a result of the attack. She received a message from the killer that if she saw his face again she would be killed. So she ends up moving from town to town and living in fear. It is in Bakerville that Mick finds Faith and her sense of safety begins to unravel. I really like the suspense in this book. I like how the author brings in not only the legal battle but the Christian struggle. Faith's husband and Mick's brother both had strong Christian beliefs and Faith and Mike look back on their lives.
