Circles Of Seven (Dragons In Our Midst, Book 3)

Synopsis

Â Â Â The first book, *Raising Dragons*, plunged two teenagers, Billy Bannister and Bonnie Silver, into mind-boggling mysteries, life or death pursuits, and deadly sword-to-sword battles. In the second book, *The Candlestone*, Billy is led into mortal combat with a powerful dragon slayer. Separated from his friends and finding his dragon traits useless against this enemy, he has to rely on new weapons, a sword and shield he cannot even see.Â Â Â Now in *Circles of Seven*, using their dragon traits and the wisdom they gained through their earlier adventures, Billy and Bonnie explore a multi-dimensional domain of evil. In this realm, they navigate seven perilous worlds, each one manifested in a circular plane of existence that leads them deeper into the domain of a powerful enemy. The seventh circle holds a group of prisoners, captives of the evil mistress of the circles, and Billy has to find a way to set them free and give them new life. When tragedy strikes along the way, Billy has to face the most difficult decision of his life, whether to forsake Bonnie to rescue the prisoners or to find a way to save her, his best friend in the world. Filled with action, danger, and suspense, *Circles of Seven* is sure to keep readers in their seats, following Billy and Bonnie to the exciting conclusion.

Customer Reviews

Â Â Â Bryan Davis is the author of the best-selling *Dragons in Our Midst* and *Oracles of Fire* series, contemporary/fantasy blends for young people. His book *Eye of the Oracle* hit number one on the January 2007, Young Adult CBA best-seller list. His book *The Bones of Makaidos* won the 2010 Clive Staples Award, recognizing the best work in Christian worldview speculative fiction. With the

September 2010 release of *Masters & Slayers*, Bryan has begun his first fantasy series for adults, *Tales of Starlight*.
Bryan is a graduate of the University of Florida (B.S. in Industrial Engineering). From the time he taught himself how to read before school age, through his seminary years and beyond, he has demonstrated a passion for the written word, reading and writing in many disciplines and genres, including theology, fiction, devotionals, poetry, and humor. Bryan continues to further his writing education by attending relevant writing conferences and conventions. Bryan is a craftsman with words and an excellent interviewee on various topics, including his books, young adult fantasy fiction, and creative writing in general. He makes appearances around the country for book signings and for special presentations to enthusiastic young readers and developing young authors in middle schools, high schools, and homeschool groups. Although he is now a full time writer, Bryan was a computer professional for over 20 years. Bryan and his wife, Susie, have homeschooled their four girls and three boys.

I didn't actually want to like this story, because I find most Christian fiction to be horribly contrived. But I had been asked to read it to ensure that the donated copies were appropriate for the age level at our school library. By the first chapter of book 1, I was hooked, and by the end of book 2 I had ordered the series for myself...yes, I could have kept reading for free, but it was good enough that I wanted it as part of my home library. I'm a super cheapskate, so that's saying something about how good it is.

My kids, ages 5, 7, 8, and 10 absolutely love this series. We've been working through this series as our summer read-aloud. I can honestly say I didn't intend to be reading ALL *Dragons* in our Midst...but when they loved the first so much, I just ran with it. I love when they love something SO much. It's not the easiest series to understand, and has taken quite a bit of discussion and explanation...but all worth it. I find the Christian/faith aspect to be weak, but as THAT is not the reason we were reading it, I haven't been disappointed. They literally beg for "just one more chapter."

Following the story of Billy and Bonnie as they journey on their most dangerous and brutal adventure yet, readers learn of faith in the unseen and are easily sucked into this world the author paints. This book has to be one of the most exciting and edge-of-the-seat thrilling Christian young adult reads. Intertwining dragon lore within a present day world is absolutely fascinating!

Was a gift, I hope she liked it.

My 12 year old daughter loved the entire series. I am reading them and am enjoying the fantasy with biblical values. I wonder how much symbolism is intended, which makes me crazy trying to make it all line up.....but when I just take the story as a fantasy with biblical values I enjoy it. There are many layers to the story line and plot. Well developed characters.

This series really makes you think. It brings the truths of the Bible from a different perspective. I read these books while my son did and I can say that they greatly impacted him and me. Through these books he received examples of what kids/teenagers with values and true commitment look like. I am going to have all of my kids read these books. Thanks Mr. Davis!

THIS BOOK IS SO FASCINATING! I got it shipped right to my house, on time. I have barely had a change to read it with my busy schedule but Bryan Davis does a great job of returning me to the story world easily and quickly!

This book set has been great as we have been slowly taking out the inappropriate books and slipping these in for them to read. Both the boys have been really enjoying them and are now asking for the other sets. The books came in 3 days and they were in practically brand new condition.
