Persuasion: Influence People - Specific Words, Phrases & Techniques To Unlock People's Brains (Persuasion, Influence, Communication Skills)

Synopsis

Discover Controversial Words & Phrases That College Doesn't Teach You... Once you learn how to use them, controlling people's mind will be THAT easy. Let me ask you a quick question: do you struggle to get people to listen to you, to have them comply with instructions and requests? Do you always use the same common words that everyone else is using? Are you paying any attention to the words that you choose? Imagine yourself flowing with powerful words: you just can't help it, it's almost automatic. These persuasive words are coming out of your mouth freely, and you're able to close difficult deals, sell your products on the phone, get more readers to read all the way through your blog posts, persuade that beautiful blonde to give you a relaxing, intimate back massage with coconut oil and lavender scent. How does it feel? Well, that's exactly the purpose of this book: to give you a series of ideas, methods, strategies, and PRACTICAL techniques that you can use immediately to take your communication skills to a whole other level. Inside this book, you will learn: How to use NLP vocal techniques for persuasion – how to speak effectively, even if you consider yourself an introvert | New psychological tactics to induce people to do as you wish – no more objections or resistance! How to covertly plant ideas in people's heads without them knowing it | Specific words, phrases & techniques to persuade and influence effortlessly – you just need to add a couple words to your conversations! How to spark, amplify and change emotions – just by using Power Words... Effective ways to analyze the different communication styles – so that you can speak on people's level and persuade them EASILY! How to change their perceptions and first impressions (this is NOT what you think) ...and much more! This book is dramatically different from anything you've ever read because it's more of a "field guide" to massive success in communication than a "traditional" book. The reason why is because there's no fluff or filler. It immediately gets down to brass tacks, showing you exactly what words to say, how to say them, and why. Plus, it's easy. It's not long, you can read it in an afternoon. And you'll immediately get the entire list of words and phrases used by the greatest influencers to make more money and change more lives – included theirs. Do not miss out on this opportunity to improve your communications forever. Once you'll start using these words, phrases and techniques, you won't be able to go back. You'll transform from victim to persuader – and please, can you promise me you won't use this incredible power with bad intentions? What are you waiting for? Grab your copy now!

This book helped improve my understanding of what to focus on during interactions. This book shows how our actions are controlled by principles outside of our awareness. Very good book on the topic of persuasion, all of the methods are scientifically verified along with real world examples on using them. This book will teach you everything you need to learn how to be influential and persuasive.

This book is drastically not the same as anything you've at any point read since it's to a greater degree a "field control" to enormous achievement in correspondence than a customary book. The motivation behind why is on the grounds that there's no lighten or filler. It quickly gets down to metal tacks, indicating you precisely what words to state, how to state them, and why.
