WOWWOOWOWWOOWOWWOWOOOOO ok, calm down . This was a super fun 100% book.

I cant belive that I'm the second one to wriye a review. So he goes into crazy adventures liike

rescue his bro from a desert village and got golddddddddd! Then he destories a wizards castle and

free all adventures and they gave him diamonds!!!!!! But while in a inn, of a friendly village, mr.

green, blue etc...a adventurer he pranks and make him angry, he does revenge!!! He throw him the

SNAKE!!!Dear ctafty nichole, how about if he dies and tht adventurer runs away with his

treasures?How about him chasing thr adventurer for revenge?His pranking skills helped him, and

got his treasure back and trapped him in the castle his bro built? Well, that's it for today! P. S. sorry for

bad gramer and speling. So goodbye and thanks for reading this! > < :;]:D:D

The griever is like me! Always pranking people.-----Review-----Yeah yeah yeah!!! He is going 1 point UP for his pranks.I really support him, so I'm pretty mad at Mr.Creeper for putting a snake at him. I am good at pranking but they kill. Here is an example. I lead my victims to a dungeon that has a lot of monster spawners and dispensers and TNT. So my victims are struggling to survive. I ender pearl back home to break their beds (Lol) and they will die and respawn SOMEWHERE ELSE!Isn't that Awesome?!?Suggestions

Hey, Crafty Nichole! Waddup? I'm on the list of awesome reviewers and yep, I screamed. Out loud. At the top of my lungs. and it is finally here. I originally was the second person review this, BUT my insanely STUPID KINDLE NEVER PROCESSED IT BECAUSE MY KINDLE HAS THE WORST QUALITY EEEEEEEEEEEEEEVER!!!!!!!!!!!!!!!!!!!!And I really hope book three comes out quickly!~(

this book and the first one were just the best books ever! crafty nichole i hope you continue this epic series because i personally think its one of your best(all of yours are awesome but this one is epic;) also pls continue this griefer series. also make him explore away from the people he knows well. i think that would make the book awesome if he trolled random people and then accidentally trolls notch and is being hunted by gaushrds on strong stallions. thx hope you continue

I love pranks and this is hilarious and has tons of pranks. Also, revenge and family mixed in.SPOILERSBOOM!!! Bye bye castle!!
