## Synopsis

Includes Verses And Page For Study Notes! This is one in a series of 6 Extra Large Print Word Search books covering the Book of Mark and features: 50 puzzles each having 20 words. The book is formatted with Bible verses, a blank Study Notes page for your personal thoughts and 5 word search puzzles related to those verses. The left page has the word clues in two columns and is the largest font possible for an 8.5 x 11 book! The right page has the large puzzle which also fills the entire page. The answers to the puzzles are all full-page and conveniently placed in the back. Our Story: My Mom complained that her store-bought "large print" word search puzzle books were too small for her failing eyes so we designed these Extra Large Word Search books with her in mind and she loved them. Buyers of our books have been delighted with them and have commented that they are perfect for anyone with vision problems like macular degeneration, legal blindness, etc. I am confident that even those with the poorest eyesight will be able to work these Extra Large Word Search puzzles. Do a *Look Inside* to see how large the clues and puzzles are and then order for yourself or a loved one!
