D.L. Moody - A Life: Innovator, Evangelist, World Changer

Synopsis

He burst on the fusty corridors of Victorian spirituality like a breath of fresh air, regaling one prime minister with his sense of humor and touching the lives of seven presidents. Who was this man? A visionary educator and fundraiser, D. L. Moody was also a renowned evangelist in the nineteenth century. Long before radio and television, he brought the transformative message of the gospel before 100 million people on both sides of the Atlantic. Thousands of underprivileged young people were educated in the schools he established, and before the Civil War, he went to a place no one else would: the slums of Chicago called, "Little Hell." The mission he started in an abandoned saloon drew children by the hundreds and prompted a visit from President-elect, Abraham Lincoln, in 1860. Drawing on the best, most recent scholarship, D. L. Moody's *A Life* chronicles the incredible journey of one of the great souls of history.

KEVIN BELMONTE holds a B.A. in English from Gordon College, an M.A. in Church History from Gordon-Conwell Theological Seminary, and a second Master's Degree in American and New England Studies from the University of Southern Maine. He has twice been a Finalist for the John Pollock Award for Christian Biography, and in 2003, his book, *William Wilberforce: A Hero for Humanity*, won that award. For five years, his biography of William Wilberforce has been taught as part of a course on leadership and character formation at Harvard's Kennedy School of Government. On several occasions, he has served as a script consultant for the BBC, and also for the PBS documentary, *The Better Hour*. For six years, he was the lead script and historical consultant for the critically acclaimed film, *Amazing Grace*. Kevin resides in a seaside village in Maine with his wife, Kelly, and their seven-year-old son, Sam.

Well written new biography of one of God's great evangelist . Moody became the example and a pattern to follow to many others to come such as : to Billy Sunday ; R.A. Torrey ; Billy Graham and many other evangelist . The primary call of the evangelist is to know nothing but Christ's Salvation freely offered to any and all who would accept that great gift . Though he preaches doctrine his doctrine necessarily stays on the subject Salvation . The Evangelist first call to lead the lost to Christ only for salvation . He is not a church builder though many churches are started as the result of people receiving Christ as their savior . The pure Evangelist does not identify the gospel with a particular denomination though he and his team are all ways a member of a Christian church personally . All Christians are to do the work of an Evangelist but not all are called to be an Evangelist . That is the specific calling God gave to them . Some called to be Pastors , Teachers , Administrators etc . A calling to be an Evangelist is often hard (John The Baptist , the 11 disciples , many of the prophets) walk as many wish to pull them to one side or another to brand them . This book gives in sight to D.L. Moody's life and ministry . The organization and the financing , music of the revivalist . The care with how money that comes in is to be handled . Moody and Sankey set a modern standard on keeping your ministry pure . Well written easy to read

A profound expose of a man who change thousands of lives both in England and the United States. Belmonte has dug deep into Moody's life so the reader will know what forces framed the man and

brought him the eminent place in history. By presidents and paupers, D.L Moody was loved! Don't miss this read.

a little more scholarly and less spiritual than i had hoped

The life of D. L. Moody has been wonderfully captured in this script. As a preacher, myself, I am inspired by the enthusiasm, ingenuity, and transparency of such a man. Wonderfully inspiring read.

Kevin Belmonte has answered the call to provide a much needed and updated biography on the most famous evangelist of the 19th century, D. L. Moody. Belmonte's command of the primary and secondary sources relating to the life of Moody is exceptional. Creatively, Belmonte also weaves in aspects from earlier biography and interacts with the conclusions. I have read this book and now will re-read it. It is a book that must be on every Christian's book shelf. Unfortunately, in the Reformation protestants lost a knowledge of our Christian heroes (as a reaction to "saints") and with that a woeful ignorance has settled on the modern church in regards to what we can learn from our Christian ancestors. We need to recover that "old way" of thinking and know how God used the people of the past - in hopes he will use us today in the same way! Read prayerfully and read reflectively, this book will change your life.

Very, very good book about D. L. Moody. We desperately need a D.L. Moody and an Ira Sankey in America today.

It was wonderful! I learned so many things about Moody that most folks don't ever know. I even loaned it to a freind who felt just as I did! Good stuff!!!

Kevin Belmonte's excellent book about DL Moody's life was eye opening and inspirational. His writing style was accessible and consistently drew me onward. While I knew some of DL Moody's biography, I appreciated the lesser know facts that helped me understand his motivations. I thoroughly enjoyed this book, and feel I more fully appreciate the "legacy" that Moody left all of us. Thank you Kevin for a great book!
