Charlene does it again! It was finally time for the king of all dragons to meet his match. And boy does he! I was so excited to see how it unfolded and how Blaze would find his Queen. Roxy - she is

not your typical girl and just wants to find love. She takes a chance and just when she thinks she's unlucky, fate steps in and gives her a push. Bold and beautiful she jumps after what she wants. I really liked how genuine she was written and how what was important to her was so different from the rest. Blaze - what a hard head. This dragon is more stubborn than an immovable mountain. He needed a good kick in the head below the belt to have some sense maybe knocked into him. The offspring!!! Cannot wait to see where she takes that!

Charlene does it again! Erotic and captivating. I love when characters from earlier stories tie into the new ones. The kind certainly got a strong woman who can hold her own. And I love the twist at the end, can't wait to see how it turns out.

I really like that this woman made a decision and trusted her gut. She jumped into the arms of the dragon that she wanted and did not give up. I can't wait to read the next book in the series. Both of them had had their hearts broken by other relationships. She was willing to try again to find everlasting love, but he had issues with letting his heart be so open again. I liked how dominant some of their mating was.

Ok, this third book was AMAZING!!! I was very disappointed in the second book in this series and almost didn't take a chance with this one, but I am glad I did!!!! It was as good, if not better, than the first one! I couldn't put it down. It was full of adventure and passion! Blaze was a bit of a jerk (sexy jerk though) throughout most of it, but Roxy's character made up for that. She kept the story full of life and hope. The ending does leave you hooked and wanting to read the next book to find out what happens with the young of a royal and human mix.... Very interesting and exciting!!!

Blaze fought it, didn't want it, felt he had to sacrifice for his kingdom, he will participate in the bride hunt. When thinking he has captured a woman of weakness and will serve the purpose of bearing his young only. Blaze has met his match Roxy will not allow him to run from her as he is fighting to hide the feelings he is having for Roxy. He will break the bond between them, thinking to take another woman whom he feels nothing for and she is selfish only wanting to be queen.

Another great read from Charlene Hartnady. Terrific main characters and a fun storyline. I hated to see it end. I loved it.

Well written and interesting, I read it as a series. I like Kindle and enjoy the freedom of movement.
Thanks
