Patsy Clairmont is a popular speaker, a coauthor of various Women of Faith devotionals, and the author of such best-selling books as "God Uses Cracked Pots" and "Sportin' a 'Tude." She and her husband live in Brighton, Michigan.

Love Patsy Clairmont. She has such a winsome way of telling a story that makes me laugh--and then--ka-bam! She brings it back to learning sometimes hard but always uplifting and doable lessons that grow my spirit.

I am currently reading this and enjoying every word...typical Patsy. What a 'ball of fire' and her manner of using words has not changed and gives the reader every possible visual precisely placed. Wonderful!!!

I have always enjoyed Patsy Clairmont but I think this is her best book....EVER! I couldn't put it down. I loved her warmth as well as her humor. I have the kindle version and when I hit the "next" button...I realized that I had finished the book. NO! I wanted more! That's the sign of a great book...when it's over and you're not ready for it to be...over. I laughed, I cried and her words resonated in my soul. Don't miss out, you've got to get this book!

Impressed with writing style, humor and meaningful faith filled content.

Inspiring and simple read! Highly recommend it for anyone seeking God in a light hearted and beautiful way.

Love Patsy!

I sat on the porch one evening while reading this book and watched the fireflies for the first time in many years... Simple truths can bring light in the darkest places in the simplest of ways...An encouraging read...

This book has been uplifting and very thoughtful would recommend it to all...I've to smile and even chuckle amidst adversity then finding a word from God to help me through totally amazing..
