Customer Reviews

Great calendar, as usual. Look forward to the new year - then I can start working the crosswords each week.

My sixth year of using this calendar. Most useful for medical notes. Our physicians can and have reviewed our entries from time to time. Also very entertaining for those long airport waits and flights

Enough room to write my schedule and puzzles to keep me busy!

Nothing beats the New York Times Sunday Crosswords - they are the best!

I get one of these every year and love them like crazy! excellent choice of crosswords, plenty of

room to write reminders or note occasions, just the perfect calendar for me.

We haven't been able to live without open of these for about a decade. It's just a calendar, but it's also a great way to do a crossword with someone else over a few days.

Love it

Product is as expected. I have been ordering this planner for more than ten years and the only problem is making the crosswords last out the year.
