Large Print Word Search Puzzles 3

Synopsis

A word search should be challenging because it's smartly constructed – not because the letters are too small. Fortunately, these puzzles, with large print in both the grids and the word lists, let solvers see what they've been missing. So if you still can't find a word, it won't be because you couldn't read it . . . but because the word search is that good.

Amy Goldstein is a puzzle writer and a partner at Puzzability, which creates puzzles for print and electronic media and special events. She is the author of *Sit & Solve Commuter Word Search Puzzles* and *Sit & Solve Word Search On-the-Go!* (both Sterling), and coauthor, with her partners, of a number of puzzle books for kids and adults. She lives in NJ with her husband and two children.

My mom loves these word search books. She completed volumes 1 and 2 and I was thrilled to see there was a new volume. Even though it's by a different author, the puzzles are just as much. These books are challenging without being too hard and each puzzle has a hidden message to add to the fun. They have hard covers and can fold flat so they're easy to take anywhere and highlighters work well on the pages. They're large books with enough puzzles to last months even for the most ardent fans so you definitely get your money's worth.

Large print word search to occupy my elder mother in law. She enjoys doing them and the ring binder make it easier to do. A word search should be challenging because it's smartly constructed. I bought this for one of my loved ones who is vision impaired. They have been thoroughly enjoying their daily afternoon puzzle time ever since. The large print is so easy to see and the spiral binder makes it convenient for them to keep open on their lap. They said the puzzles are reasonably challenging and a lot of fun too.

I bought it for my 80 year old mother in law, she loves it and the large print. I get these for her as Christmas or Birthday gifts.

My mother LOVES this book! Very happy she is happy.

Mom liked it - big enough for her to see easily.

Bought for my elderly mom for Christmas and she is loving it

Great for recovery from surgery
