Carver Alan Ames was born in Ireland in 1953. His childhood and adulthood were turbulent. He married Kathryn and moved to Australia and raised two children. Then, in 1993, angels, saints, and the Holy Trinity began communicating with him. At that time, he experienced a mini-judgment, and fell totally in love with Jesus. From a violent man, he has become childlike with a complete devotion to God. Alan and his wife left their jobs in August of 1996 to devote their time fully to do God's work, founding the Touch of Heaven ministry.

When I started reading this book I felt as if I was committing sacrilege -- never having read a religious book or any book for that matter where Jesus is written in the first person. After awhile though the imagery became so vivid. I was getting to know the Apostles personally and the scenes before me I actually felt that I was there -- and "through the eyes of Jesus", I was. As my reading progressed the emotions that came to me so strongly were all the love, patience and forgiveness that our Lord Jesus has for us. At these times I had to get the Kleenz box out!! To all those who want to feel a closer relationship with our Lord Jesus, this is the book.

Reading the stories of Jesus and His disciples during Jesus' ministry- through the eyes of Jesus- genuinely touched my heart. Each passage has a message to us from Jesus. I made notes and highlighted throughout the entire book, to re-read for prayer, reflections and meditations. I believe it was the Holy Spirit that I found this book, I feel closer in my relationship with Jesus. An amazing book.

My husband and I had good discussions and insights while reading this beautiful book! We still talk of different scenes and Jesus: conversations with so many people. Love this book!

The stories truly speak to your heart. They are awesome. I have read it several times and will continue reading it again and again. I placed markers throughout the book so I could go back to particular messages when I had a need to hear a particular message again and pray. God is amazing and wants us to know everything He said and did. Alan is His messenger in our time. I have given the book to family and friends. I love sharing it.

One of the best books I have read in a long time. This is a collection of 3 volumes of visions given to Alan Ames which he wrote down as requested by Jesus. They contain the account of Jesus and His disciples/followers as they walked to Jerusalem. Jesus describes what he sees and hears and He reads the souls of the people along the way. He is so full of love! Many miracles happen. Even though the book is very thick, it reads along easily. I did not want the book to end!

Alan Ames has shared a remarkable gift that he received from the Holy Spirit. All who are on a walk of faith with Christ will benefit greatly from this book. It is written the Lord's perspective and makes him come to life in an amazing way. Truly a shared gift amongst people of faith.

This is a Must read book for anyone who wants to get to know Jesus better and his day-to-day life with the apostles. All complimentary to the Bible. You will fall in love with Jesus in a way that you never thought you could and have a deeper, admiration, love and respect for the Son of Our Eternal Father.

Great condition!!
