Easy To Color: 60 Beautiful Black & White Patterns To Color In & Relax Your Mind (Black Background Coloring Abstracts) (Volume 1)

Synopsis

The truly stress-free coloring book for everyone! An adult coloring book designs, "Easy to Color: 60 Beautiful Black & White Patterns to Color in & Relax Your Mind", comes with 60 different full-page patterns printed on one side of each paper. Each design is unique and is of medium complexity - not too hard, nor too easy. There would only be crisp white spaces tempting to color in, on midnight black background or on clear & sharp black lines. Therefore, you can color with real relaxation, and not having to worry about teeny tiny details, nor about coloring over a line since the black background or the thicker black lines would hide excessive colors, in case you get clumsy! Moreover, due to black that lends itself well to color contrasts, all your colors will become more vibrant and rich. The result is your effortless relaxing work of arts that truly pops! The size of this book is six inches wide and nine inches tall (6"x9"), which is the size compact enough to carry around, yet large enough to color in with ease and enjoyable. It is therefore perfect for either coloring on the go, at home, at the office, or actually anywhere you think stress is most likely to strike. Let's reward yourself with a blissfully pleasant time off, anytime & anywhere with "Easy to Color: 60 Beautiful Black & White Patterns to Color in & Relax Your Mind". The book would also be a great gift for those stressful colorists you care about. It would be a book that is so easy to color in, to de-stress, and unwind.
