Classic Guitar Technique, Vol 1: Book & Online Audio (Shearer Series)

Synopsis

Aaron Shearer's Classic Guitar Technique has long been the core method used by generations of classic guitarists. Alfred Music is proud to present the third edition, and first major revision, of Volume 1 of this benchmark work. Completely re-edited and updated in collaboration with Thomas Kikta (one of Aaron's former students and the head of Duquesne University's Classic Guitar Department), the third edition maintains the character and appeal of the original book while providing new critical insights into core techniques that had not been addressed in previous editions. Also, for the first time, companion online audio recordings are included with the book, providing demonstrations, play-along tracks, and duet opportunities to ensure students correctly emulate the tone and feel of the music.

Book Information

Series: Shearer Series

Paperback: 120 pages

Publisher: Alfred Music; 3 edition (March 1, 2016)

Language: English

ISBN-10: 1470633760

ISBN-13: 978-1470633769

Product Dimensions: 8.9 x 0.3 x 11.8 inches

Shipping Weight: 14.4 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 9 customer reviews

Customer Reviews

Collage night school required. Add Pumping Nylon and you are on your way! Never played, go through Note Speller first.

loved it

A great book. Although it seems easy, it slowly builds up skills that are required when doing more complex activities.

Very impressed with the level of instruction, clarity, and how the lessons are organized.

Everything for the beginner. Highly recommended.

Easy and Understandable

Good Technique book

I got this for my grandson.. I used this method in the 1960's as a teenager... It's the best, and this latest version is even better than the original! I have used many of the old classic methods over the years, some from the old masters in the 19th. century, they must be used with an instructor for technique development. This one only needs occasional help from an instructor due to the videos!
