## Synopsis

Would you like to know everything and learn more about Russian Blue cats as pets? This book covers all aspects of passionate Russian Blue cat owners. Have you ever wondered about the mystic Russian Bluesâ™ personality, how to care for and pamper them? Or are you still looking for a perfectly matching name for your Russian Blue? It contains all this! Including Russian Blues habitat, food, shedding, feeding, diet, diseases, lovely pictures and more. This book is based on 10 years of experience of keeping Russian Blues. Karola Brecht has been a cat owner for 45 years sharing her life with more than 35 cats including two Russian Blues who are her current companions. Ms. Brecht is born and raised on a farm in Germany. When she's not reminiscing about her special friendships with Twinkle Toes, Emir and Blinky, she is working at a veterinary practice. In an honest, joyful and understandable way Karola Brecht covers everything for people who would like to keep or already own Russian Blue cats. This book will be of great help to those who desire advice and a better understanding for your new or existing companion.

## Customer Reviews

This is a good book for the individual who already knows something about cats and their care in general. If you are looking for a complete guide as a first time cat owner (as I was) this book will not be sufficient. This is however more than sufficient to get you to know the Russian Blue breed and its quirks, it offers practical advice and is very much worth getting for all the extra information that is not available in a general cat book. The beautiful pictures are an added bonus.

Very good introduction to Russian Blues. The book needs better editing to reduce repetitive information, clean up grammar, and fix numerous typos.

My sweet 'Oliver' died just a few days ago. This book, with it's beautiful pictures and easy to understand explanations of why cats do what they do is a basic read in an afternoon. This breed of feline is absolutely gorgeous. They will definitely become your best friend and vice versa. I will treasure all sixteen years I had with him. I'm so thankful for this book. Perfect cat. Perfect book. Perfect timing. Thanks !

I thought this book was informative and straight to the point. Which is great. I am about to purchase my first Russian Blue (my first kitten ever actually) and I cannot wait now after reading this book. They sound like the perfect breed for me. I don't think I'll be able to stop at the one kitten now. They sound like the perfect companions. Thank you for all the help you have provided with this simple book. Fantastic read..

I am about to take possession of a pedigree Russian Blue Kitten . This book completely lived up to its Owner's Manual Title! It contained generous amounts of practical info. An extensive table of contents provides a great reference book quality. An easy read...

Tells you everything you need to know about Russian Blue cats! I would recommend this book! It helped me know everything I would need for the kitten and also educated me about the breed.

gave as a gift she found it very informative

This was a gift. They loved it!
