Naples On Mediterranean Cruise, 2012, Explore Ports Of Call On Your Own And On Budget (Goran Rodin Travel Guides - Travel Guidebook)

Synopsis

Majority of tourists visiting Naples has an idea of Amalfi coast in general, Naples as beautiful romantic city and excavations of Pompeii together with Vesuvius. It is important to mention that Naples as a city doesn't offer so much for its visitors that couldn't be covered in 1 day. More interesting and more important sights are around Naples. Island Capri is a beautiful escape, to reach the top of Mount Vesuvius, or visit excavations of Herculaneum and Pompeii is an extraordinary experience. Because of that in this book are given together with Naples other tips and directions on how to get to Island Capri, Sorrento, excavations of Pompeii and Herculaneum as well as how and from where to reach the top of volcano Vesuvius. All of these information's are custom made and starting point is Cruise Terminal. Here are suggested itineraries: a) Naples and the most important monuments b) Capri and Blue Grotto c) Capri and Sorrento d) Sorrento e) Pompeii and Vesuvius f) Pompeii and Herculaneum. For all of them there are detailed itineraries with timetables and ticket prices in the separate chapters. Choose itinerary which suites your interests. Naples in Mediterranean Cruise is more than a guide. This is your adviser, tourist guide and all-in-one information when, where and what to do in Naples, Capri, Pompeii, Herculaneum, Sorrento and Vesuvius in 1 Day. Naples on Mediterranean Cruise gives the best possible route to visit Naples in as little as 6 to 7 hours. This book has tips on how to save your money, where to walk and which sights are the best to visit. Using all possible resources with our logo "We Were There for You" this book is full of information that no other guides will give and no other buys are needed. While other travel guides struggle with finding the sights and giving the appropriate travel tips, this guide will take you to Naples from the Cruise Terminal. We are going to walk together to the National Archeological Museum and in order to visit Castel Sant'Elmo we will use one of historic funiculars. There are exact maps, charts and opening times, explanations and highlights for: Castel Nuovo - The New Castle. Piazza Plebiscito Palazzo Reale - The Royal Palace Galleria Umberto I Funiculare di Montesanto - The Montesanto Funicular Castel Sant'Elmo Certosa di San Marino Museo Archeologico Nazionale - National Archaeological Museum of Naples Duomo. With added link on the end of the book you can download and print your own PDF brochure which will make your visit even more successful. Two most demanding are National Archeological Museum and Certosa di San Marino. Choose one of them and save 2 hours for the visit. Castel Sant'Elmo, Castel Nuovo and the Royal Palace are visited in 45 minutes each. Visit should start as early as possible. Immediately after breakfast, around 8,30am to 9,00am we should be in front of the Terminal. All sights are reachable on foot, however we will use the Montesanto Funicular and ticket is 1,20 Euros one way.

Customer Reviews

His English is not perfect, but his recommendations and directions are excellent. His books are very understandable. I have several of his books, and all are very good. He gives directions with pictures, and recommends what to see in a short time.
