Best Sellers Rank: #527,740 in Books (See Top 100 in Books) #110 in Books > Law > Rules & Procedures > Trial Practice #5671 in Books > Textbooks > Law

## Customer Reviews

Great!

If this is required reading, then you'll have to buy the book and it doesn't matter what my opinion is. In this case, get it used and get it cheap - if that means like it did for me, then great. If you are a practitioner and need a brush up, then this is a good book and taught me well.
