Gone Bad (Jon Reznick Series)

Synopsis

A fast and furious thriller for fans of Lee Child, Vince Flynn and Brad Thor. When a top militia leader escapes from a maximum security American jail, the FBI calls in ex-Delta operator Jon Reznick to help track him down. The escapee is none other than a psychopathic ex-Delta colleague of Reznick, Hunter Cain, who is now a feared militia leader. It isn't long before they believe that Cain is planning a terrorist spectacular. But the problem is they don't know what target he has in mind. As the clock ticks down, the team shows increasing strains as they struggle to find Cain, it becomes clear that the secret plot would threaten not only scores of American lives, but also a former US President.

Customer Reviews

J. B. Turner is a fast paced author that ranks right up there with the likes of; Flynn/Mills, Thor, Gilstrap and Cameron to name a few. Jon Resnick is the new Bad Ass on the block. I enjoyed reading all four books since Christmas and can't wait for number five

Wow what a good book. Definitely going to read the rest of the series. Sign up to be on his mailing list to receive a free book of a new series

So realistic. Americans are tired of our government. Working hard. Going to war. Taking lives. Doing what they think is right, all for the better of who?

I liked it a lot. I thought it was a realistic piece. I look to read more from this author.

Another excellent book by J B Turner. I look forward to reading his Jon Reznick trilogy, as well as Dark Waters which is book 2 in the Deborah Jones crime thriller series, having read book 1 Miami Requiem which I thoroughly enjoyed. An excellent writer.

A very good read. It is written in realistic terms and conditions. Look forward to reading more books by this author.

Great read! you will enjoy it.

Gone bad still has the Turner excellence of character development he has shown in his 3 other Jon Reznick series books.
