Customer Reviews

This is a barebones cookbook. Some of the descriptions are very crude in detail, hardly any corresponding Turkish names of the dishes given to associate, some ingredients, i.e lime, hardly available in Turkish cuisine. As a native Turkish woman who loves to cook I cannot recommend this book.

The Turkish people has some very interesting food and a great way to prepare them. In this cookbook I'm sure you will find great taste and nutritious food for your whole family. Thank you and enjoy your day.
