Absolutely what I've been searching for! I'm 19, older than what it says on the description, but it breaks down everything and makes studying the bible so much easier! I am truly in awe with it! I highly recommend!

Don't know as my granddaughter hasn't reported on it but it is well made and I believe good for a teen girl

Love it!!!

Came in excellent condition!

I bought this for my daughter who is very interested in learning about God and the Bible. It's beautifully illustrated and contains daily readings relevant to her age group (17 yrs) from well respected female role models in our society. She took a liking to the book right away and reads it every night.

Bought this for my niece and I must say I wish I had bought it for myself. It's BEAUTIFUL and not a cheap leather type. Just put it in the mail but I think she's going to love it for year to come. God's Word in beautiful wrapping, it can't get better than that. :)

Love this Bible, but it is soooooo big (thick/bulky) that my daughter doesn't like carrying this one to church. Perfect for at home devotions.

Beautiful Bible ! I bought this for my granddaughter for Christmas Couldn't be happier with my purchase. It is very pretty, feels like a quality binding. I am sure she will be thrilled with her gift! The colors are true to the picture in the ad. Great price too!
