You Can't Make This Stuff Up: Ridiculously Funny Stories By Real Cops

Synopsis

One of the most popular questions cops get asked is "What's the funniest thing that's ever happened to you on the job?" Well, we set out to gather a few funny stories from across North America and compiled them into this eBook with some stories you will want to read again and again to laugh at and share with your friends. So many times in the career of law enforcement officers, you end up saying "You just can't make this stuff up!" So, here are some insights as to the sorts of things that we have laid eyes on or experienced that we hope you'll enjoy! Please be aware that the stories in this book are REAL and some involve recounting nudity or other PG-16+ situations that you may want to consider if you find such real situations (that cops see and have to learn to laugh at) offensive.

Think: Chicken Soup for the Soul meets Reno 911/Brooklyn 99! This collection of humorous short

stories will have you laughing until it hurts whether you are part of law enforcement or not. It's a great way to show that police officers are just people like the rest of us. I loved how you don't need to have a lot of time to read to enjoy this book. It is set up where you only need a couple minutes at a time to pick it up and read a snippet or two to get a great laugh. I truly started to wonder if someone would call the police for a well-being check on a crazy woman laughing hysterically alone in her car.....but then I might be in the next book!!

I bought this book while waiting for a beauty appointment. I was done reading what I wanted within a few minutes. I stopped when I got to a story about a police officer stopping two speeding cars, which turned out to be a pimp and a prostitute. I found NOTHING amusing in this story, or any of others I read.

It is incredible so of the things "our finest" go through in dealing with the public. It's no wonder they get a bit edgy when they roll up on an incident. Will it be a gun, or a mental case? Or worse, a mental case with a gun.

I love this book *You Can't Make This Stuff Up: Ridiculously Funny Stories By Real Cops*. But a long time since I read a book where there was something to laugh about on each and every page. There are a couple of stories where I was almost hysterical with laughing. I do not envy the police. I highly recommend this book, you will not stop laughing.

You don't have to be a Law Enforcement professional to understand and appreciate the humor of this book. Some people may not believe that these things actually happen in real life, but they do! Sometimes we can't even believe what we're experiencing ourselves, so the title couldn't be any more perfect! These short stories are easy to follow as the scene unfolds for you, leaving you to imagine.....how would you have reacted????

I bought this collection this morning and just finished reading. My face hurts from smiling so much. But you know you have a winner when after you read a story, you're cleaning up coffee that sprayed from your mouth. Thanks Dookie!

Amazing stories but I think it ends up being a bit short considering the wide range of people from which the stories were collected (they even had a couple of stories from Canada).

I bought this book for my husband as a gift since he is going into the police academy. He HATES reading but this was one book he couldn't put down. He loved it! This book is filled with real stories about real police officers and it's an eye -opening point of view. Everyone should read it!
