Great arrangement.

Exactly what I wanted

Love it! Actually wanted to play flute to it:)

Easy to follow

very inspirational, beautiful piano piece

So impressed with the addition of not only the chord names, but fret positions for each chord! I purchased this for piano, but got so much more! Now I can teach myself to play this on my guitar as well. And having Josh Groban on the cover is certainly not a bad thing!!!

Easy to read and matches up perfectly with the YouTube video.

This is an acceptable arrangement except for the last few pages where the high range is even inaccessible to most capable sopranos. I'd recommend going to a music store before you buy this sheet music.
