The Rough Guide To Brittany & Normandy 11

Synopsis

"The Rough Guide to Brittany & Normandy" is the ultimate handbook for discovering the region, from the glorious medieval abbey of Mont-St-Michel to Monet's waterlily pond at Giverny, and the ancient Bayeux Tapestry. You can discover walks and cycle trails through ancient forests and along stunning coastline, and learn more about the defining feature of the Breton landscape - the awe-inspiring megaliths of Carnac. Foodies will enjoy a full-colour section on Feasting in northern France, while readers are directed to the finest restaurants and cafe terraces, not to mention lively festivals and markets. Whether you're looking for the best camping or the most stylish hotels, you can rely on accommodation suggestions for every budget and taste. You'll find practical advice on travelling around the region, from river cruises to the SNCF rail service, as well as the clearest maps of any guide. You can explore all corners of this region with authoritative background on everything from Brittany and Normandy's varied landscapes and wildlife to its fascinating history and musical heritage. Make the most of your holiday with "The Rough Guide to Brittany & Normandy".

Customer Reviews

Best guidebook The Sunday Times Travel Magazine

I have the old version, but bought this to get the latest and greatest. Compared to the older version of this book the maps are in color and easier to read. Obviously they aren't going to rewrite every word, but I hoped with the new version to get the benefit of any changes they've made since the

2010 version. The new formatting at times is a bit hard to follow; to use Auray as an example, the town name is in bold but then there are sections below set off with large type that seem to be nearby smaller villages but apparently are areas within Auray itself.

A great guide, used it all the time on our 2016 trip to Normandy (planned to do Brittany as well, but ran out of time!). Highly recommend: intelligent, detailed, hits all the major cultural spots, provides decent background info. Easy to use.

The book seems good for my upcoming trip.

We found it useful, particularly helpful in choosing from the many restaurants in the Normandy cities.

This was a really helpful book for a first time traveler to Brittany. My wife and I went there along with several other destinations for our 35 wedding anniversary. This book provided me with significant insights into the Breton culture, sites to see and what not. Most helpful guide.

A traditional guide book. No big surprises. Organized by region and city. A lot of space devoted to transportation and accommodations. If you already have that part of your trip settled, you may not have need for a lot of what this book offers.

This small paperback is filled with helpful information for those fortunate enough to travel to Brittany or and Normandy. It can be tucked in your travel pack or purse for a handy quick reference. I highly recommend this book!

This is a wonderful guide to the Brittany and Normandy Regions of France. Kudos to Rough Guide for being one of the few to publish a good departmental guide to France.
