Cape Town, Winelands & The Garden Route

Synopsis

With detailed city maps and plenty of relevant photographs, this is the perfect guide for navigating Cape Town's unique neighborhoods or exploring one of the surrounding wine estates for an afternoon of wine tasting and gourmet meals. The guidebook is also packed with recommendations for adventure activities, including practical advice on which route to ascend Table Mountain to the best destinations for riding an ostrich or cage diving with great white sharks. Along with insider tips and detailed coverage of Cape Town's coastal cities and vibrant townships, accurate satellite-based maps and GPS coordinates are provided for every listing to make finding destinations as easy as possible.

Customer Reviews

Modern Overland is a next-generation guidebook publisher with fresh content, accurate satellite-based maps, and GPS coordinates for every listing. Their expert writers provide thoroughly researched, in-depth information on adventure activities, places to stay, and a wide selection of restaurants, nightlife, and entertainment.

A really great guide to Cape Town and the Garden Route! It's essentially the same as the Cape Town/Garden Route section from its big brother (South Africa, Lesotho & Swaziland from Modern Overland), so you don't need to buy both. If you are just visiting these areas, it makes an excellent, slim guidebook. But if you want to see (or even just learn about) more of the country, go for the more complete book mentioned above! Very well written and really entertaining to read! As described, it's not your typical guidebook! (It's far, far superior!)

Based on my experience with travel books, I have generally come to regard them as having much in common with a brick, that being that they are extremely heavy and of little use to the travel experience beyond being a convenient doorstop or defensive weapon. Not so with this slim volume of incredible insight into the opportunities for exploration in South Africa, specifically Cape Town. The authors have found the precise balance of context, experience, advice, and practical information with a pleasant originality in content and tone that never feels derivative. The format and style of this guidebook are sure to find devotees among avid travelers and those who like to travel through the pleasure of reading about a place. This guide offers a substantial experience for both. I look forward to more of the same from these authors, and for the day when I can step out into Cape Town with a pack and this guide.
