Michelin Iceland Map 750 (Michelin Map)

Synopsis

Michelin Iceland Map 750 is a new addition to Michelin's Country Map series. Sporting a sturdy cardboard cover with an English legend, this map is invaluable to anyone driving through Iceland's contrasting highly urban and vast natural landscapes. Visitors to this Scandinavian country will appreciate the parks and sightseeing points of interest indicated on the map. For effective trip planning before and during the journey, turn to Michelin maps.

Book Information

Series: Michelin Map

Map: 2 pages

Publisher: Michelin; 1 edition (February 7, 2016)

Language: English

ISBN-10: 2067211900

ISBN-13: 978-2067211902

Product Dimensions: 4.4 x 0.3 x 9.9 inches

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 10 customer reviews

Best Sellers Rank: #49,552 in Books (See Top 100 in Books) #12 in Books > Travel > Europe > Iceland

Customer Reviews

great map - excellent details, lots of highlighted detailed areas and suggested tours to take.

Large paper map was good for planning our trip to Iceland. I highlighted our route and various sights along the way. This map will be well used while we tour Iceland.

The map is pretty accurate, but it is way too big. So I made letter size copies of various section around the ring road and flip through them as I drove around the country and it worked like a charm.

Used in Iceland for driving, very well marked road #s and the symbols were helpful too, would not have left home without it!!

I have purchased & loved several other Michelin maps, so specifically looked for- & waited until the Iceland map was available. However, It is hard to read, print being very light, it seems somewhat out

of date on the roads as I have seen certain things online that aren't on it, and worse, they took an old map and just glued on another piece over the old. The back of the map is completely blank- why waste so much space? Put the insert maps there! I believe the older Michelin maps are made out of stronger paper too. Having said all this, it's what I have, & will be well used.

Another good Michelin maps product

Love it!

I am used to Michelin maps and I love them. This one is no exception. It proved very useful during our recent road trip in Iceland. Michelin highlights points of interest and gives recommendations.
