Warhammer: High Elves

Hard covered, beautifully detailed artwork as well as very detailed descriptions of each and every unit you can field. The army books are a must have to play, detailing all the special rules and buffs that the army takes advantage of in a game. I'm not a huge High Elf fan, but they've got impressive models and a great back story!

Great book. Great quality. Would have loved more magic options at the end though. They cut a lot of them out.

Very pleased.
