Two people who think their lives were meant to be alone meet and almost immediately start thinking

that God must have put them in this place for a reason. Little things start getting in the way and they both begin to wonder, but Faith in God's leading show them the truth. A very good short story with just the right amount of everything to make it interesting.

Way too short, even for 99¢! Where are free ones? Since I am an avid reader, hard to keep track of titles!

That ends well. Another sweet short story by Sarah Miller. As always I would have preferred these shorts in one book

I have read this short story before. It was so good that I had to read it again. Another great story by Sarah Miller. Mary and Rubens love story is, a great read.

This is a beautiful and hopeful story that I really enjoyed. The characters are all facing different challenges in their lives that they are each struggling with. The main characters Mary and Ruben must face their own fears and insecurities and remain faithful that Gott will answer their prayers. It was so enjoyable to delve into a world so different from our modern culture, and find that the same universal struggles exist. The story was so captivating that it was hard to put down. The characters were so likeable that you couldn't help root for them from beginning to end. Well-written and inspiring.

Loved it

Yes this was an inspiring book

What a delightful story. I read it in one setting. I love the Scripture quotes at the beginning of each chapter. I also enjoyed the fact that it was a well written, sweet, romance of an older woman. I look forward to reading her next book (which I happen to have).
