New Maths In Action S4/2 Student Book

Synopsis

The "General" books have been substantially revised from the previous editions to ensure that they are accessible to all students at this level. Non-calculator work is clearly identified throughout all books. Parallel content between all books allows movement between levels. 'Review' sections at the beginning of each chapter enable students to consolidate learning from previous chapters and establish knowledge required to proceed with the topic. 'Recap' sections provide summaries of the chapter, making them an ideal revision tool. 'Revise' sections contain end of chapter exercises for revision and assessment, building up to exam style questions to ensure thorough preparation for exams.

Book Information

Series: New Maths in Action

Paperback: 300 pages

Publisher: Oxford University Press; Student edition (November 1, 2014)

Language: English

ISBN-10: 0748790438

ISBN-13: 978-0748790432

Product Dimensions: 7.5 x 0.6 x 9.7 inches

Shipping Weight: 1.5 pounds (View shipping rates and policies)

Customer Reviews

Symposium Y, "Nanomaterials Integration for Electronics, Energy, and Sensing," was held Nov. 29-Dec. 3 at the 2010 MRS Fall Meeting in Boston, Massachusetts. The symposium provided a forum for scientists and engineers to showcase their latest research results focused on the challenges of integration in combining diverse nano-materials together across length scales and into nanosystems to achieve novel properties and performance. --This text refers to the Hardcover edition.
