DIY Dog Grooming, From Puppy Cuts To Best In Show: Everything You Need To Know, Step By Step

Synopsis

You can often tell how healthy a dog is by coat appearance. Grooming your dog regularly offers clues to her health: It nips potential health problems, like allergies, poor nutrition, parasites, or diseases, in the bud, or at least gives you some early warning about them. Grooming also makes your dog (and you) comfortable socializing. And it stops the spread of dirt, fleas, and germs.Â Perhaps the biggest benefit to grooming your dog yourself is strengthening your bond with her. It can be a fun time to share, and it helps build trust.Â DIY Dog Grooming, From Puppy Cuts to Best in ShowÂ by Jorge Bendersky, and foreword by Cesar Milan, will show you how to take the best care of your dog, regardless of breed, temperament, or age. Practical step-by-step photos will take you through everything you need to know to bathe and trim your dog, plus care for her nails, ears, teeth, and more. Learn how to train her to relax and enjoy grooming."While you can make excuses not to take your dog to the groomer, you have no reason to make excuses for not doing itÂ yourself any longer."Â --Cesar MillanÂ Â Inside you'll find:-Â Simple, step-by-step instructions for everything from bathing to brushing.-Â Practical solutions to common problems like fleas and ticks, dirt and mud.-Â Creative suggestions for grooming a picture-perfect dog.

Customer Reviews

"...a useful book for anyone who aspires to groom their own dog. DIY Dog Grooming is extremely thorough. With this in hand, the average owner can keep their dog looking good!" -

Examiner.com "What I found inside was a wealth of practical information on brushing, bathing, trimming and dealing with problems such as skunk-stricken dogs." - New York Post

Jorge Bendersky is a celebrity dog groomer in New York City. He grooms Manhattan area dogs and consults on dog grooming. He has been a contestant on the Animal Planet show Groomer Has It, a judge on TLC's Extreme Poodles, and an expert on Animal Planet's Dogs 101. He has also appeared on The Today Show, ABC Nightline, CW11, and E! News, and in the New York Post, the New York Daily News, the Chicago Tribune, and more. <http://www.planetjorge.com> Jorge Bendersky is a celebrity dog groomer in New York City. A handy book to have. I intend to try to groom my young cockapoo who is a little resistant so far but there are tips to help deal with this. The book holds a wealth of information and I am sure it will prove most useful.

We stopped using our mobile groomer..way too expensive. We decided to do it ourselves. This book told us everything we would need as far as tools. We bought the best clippers we could to do the job right! When we started with the first dog, we had a general idea of what we we're doing. Thanks to this book, we knew what to do, how to do it and in what order. It has instructions for different kinds of cuts and for different types of hair. They leave out nothing...from trimming nails to sanitary cuts to expressing anal glands Yuck! If you're a novice and are going groom your dog yourself, this book is invaluable. Grooming is a skill, one that we've not mastered yet! It is hard work and takes a long time the first few times. But it's worth it to not see my dogs tremble when the groomer shows up. We give them tender loving care and they trust us. I feel close to my dogs when I groom them. My husband and I do it together. He works on one side while I work on the other! I highly recommend getting a grooming table with a rubber mat. And a place to hang a harness. We use the harness that goes around the neck and right before the back legs. Then they can't sit down! We bought our table from [Amazon](#) for an extremely good price. The legs fold under for easy storage. So far, it's been a rewarding experience and we're glad we did it! Plus, now we have some extra cash!

Very helpful book when it comes to grooming my Racquel whom by the way is a black Scottish Terrier. I like how he broke down each grooming tool and which one is most useful or the one he uses the most. I only wish he had more grooming tips one each particular breed but maybe that's another book. Very resourceful book

I paid \$100 for an another dog grooming book and was very disappointed with it because I read this one first and I enjoyed all the clear cut explanations on how to wash and groom a dog etc. I think it's a wonderful book for beginners in addition to intermediate groomers wanting to learn more. I wouldn't recommend this for advanced groomers. For the price it is definitely worth it.

Needs a little more dog breed cuts or different cuts in general for mixed breeds. I do love how he explains the dogs feelings and how to make the dog comfortable. You can tell he loves what he's doing and really cares about the dog which makes me trust him and what he says even more.

Great book, lots of good advice and how to in it. Author has a good way of teaching the reader to groom well.

Thank you for a good step-by-step guide for so many breeds!

I have a Jack Russell /labradoodle mix that needs a haircut every 3-4 weeks. This book has been a big money saver, since I now have the confidence to groom her at home. She just requires lots of treats to sit still for that long.
