Customer Reviews

I'd give it ZERO Stars. No Index of verbs or verb numbers. You have to use the search which gives you every site of the word in the book but does not link back to the text! Very poor or nonexistent linkage within the book. Clicking on highlighted words activates the Kindle dictionary, not a link within the book. Impossible to use easily or productively. Save your money...get the book.

Excellent book. I had one years ago that I gave away. Well, I'm trying to learn Spanish again and I think this book is absolutely essential.

Exactly what I wanted!!

You need this book.

Good but very bulky for a bookbag and hard to lay book open to reference it while trying to work.

A great book to have on hand to learn to learn the verbs.
