Customer Reviews

The late Roger Hargreaves created the Mr. Men series for his son, Adam, who currently oversees the estate and creates illustrations for new Mr. Men books.

My grandchildren love these books. I am not always so crazy about the moral of the story, but this one was particularly nice. Mr Quiet finds the perfect job, working in a library

Poor Mr Quiet lives in Loudland. He goes shopping to get some food but none of the shopkeepers hear him so he goes away very sad & without food. One day he gets an invitation from Mr Happy to go for a visit. He eats his first decent meal in weeks & tells Mr happy all about his troubles. Mr Happy invites him to stay on with him & offers to get him a job. Mr Quiet says he is no good at a job as he is so quiet but Mr Happy gets him the perfect job at the local library & Mr Quiet is thrilled. Our

kids love ALL these books.

So glad to find the Mr. Men books again. I read them to my sons years ago until they were able to read them themselves. A few were lost in moves and a few new ones have been added over the years, so I am a happy grandmother now ready to introduce them to my grandson. Thank you.

Favorite little books for 30 years.

As a quiet person, I liked this little guy. Kids also got a kick out of the story.

My children and I loved the Mr. and Little Miss books while they were growing up. They are all over 25 now and they still remember these books and have gotten them to share with their children ! Mr. Quiet was without question our very favorite throughout the years. It's a fun story and has memorable characters ! Highly recommended !

I bought this for work and my students love it! Most of the little miss and mr. Men books are included in the Accelerated Reading program. My students love the series.

who would not love these little miss and mister books? I have taught for over 20 years, and everyone loved these books! esp. mr. messy, or miss woops, mr. trouble, etc. We can all see ourselves in these books, and they learn, too, of whom they would like to be, or not. thanks
