# Anywhere, Anytime Art: Crayon: An Artist's Colorful Guide To Drawing On The Go!

## Synopsis

Anyone can draw and paint, anywhere and at any time! Anywhere, Anytime Art: Crayon allows artists of all skill levels to create beautiful, spontaneous artwork inspired by their surroundings, no matter where they are! Discover how to work with crayon, master basic strokes and drawing techniques, and choose the right colors for your subjects. Fun and simple step-by-step projects teach you how to create your own contemporary works of art using crayons, and tips and techniques make creating portable art easy and enjoyable. Whether you like to draw at home or while out and about, Anywhere, Anytime Art: Crayon is sure to inspire you to create vibrant, colorful artwork and expand your artistic horizons in new and adventurous ways!

## Customer Reviews

Swedish-born Monika Forsberg is an animator and illustrator living in London. Her recent clients include eeBoo, Adairs, Rock Your Baby, and various book publishers. Monika loves drinking coffee, swimming in Hampstead Heath, and spending time with her children. Learn more at [www.walkyland.com](http://www.walkyland.com).

This book is more than just a step by step instructional book. its visually and conceptually stimulating for all ages. If you've always wanted to know how to draw this is a great intro. If you are an artist seeking motivation and inspirations in your daily life this book is great!!

This is one of the best art books I've purchased in years! The ideas are innovative and interesting. I also like the tips to use your crayon drawings to make collage art, which is my favorite technique of all time, as I've had no patience to actually paint! :) Last year I was fortunate to find a full set of 72 vintage 1970s Crayola Crayons at an estate sale, and it is amazing how much nicer these vintage crayons are as compared to newer ones. They've become my "go to colors" for my various art projects. Overall, I was very impressed with this book. I only wish it was longer, but it's still wonderful as it is!

Rating: 4.5 Stars  
More than just an instructional guide. Filled with great Ideas and suggestions. How to create decorative artwork. Coloring is not just for children any more. My rating of "Anywhere, Anytime Art - Crayon - An artist's colorful guide to drawing on the go" is 4.5 out of 5 stars.

The author's drawings are whimsical and cute and I love the use of colour. I think this book is good for those wanting to be more creative and let loose. Not if you are hoping for any sort of realism. I think in terms of being a guide it is a very beginner guide. Actually, I think this book would be ideal for tweens or teens who love art actually, that is who I would buy it for.

Great book! Fun to learn and practice drawing with crayons. Good for everyone.
