The O'Reiley Protocols

Synopsis

Beth O'Reiley is a member of a secret Vampire Coven. She selects a human life-mate from the Ft. Bliss Army post in El Paso, Texas. She takes charge as his girlfriend and uses her Female Led Relationship skills to keep Tom as her submissive. Using his secret desires and her powers to take him places he desires to go but would not openly ask. Her retribution is swift if he breaks her O'Reiley Protocols. He finds out that chastity can be a game or it can be permanent, along with punishments for lying and cussing, mouth soaping and enemas are not out of bounds for any of his misdeeds. His wife and Mistress runs a tight house and while home, she is the Clothed Female and he is the naked male. Nothing is off limits and there are a lot of firsts in this chapter of their lives.
