Understanding The Bible

Synopsis

This best-selling nonsectarian guide is designed for students undertaking their first systematic study of the Bible. Placing each book of the Old Testament, Apocrypha, and the New Testament fully in its historical and cultural context, *Understanding the Bible* acquaints readers with the content as well as the major themes of each biblical book, and familiarizes them with the goals and methods of important scholarship.

Customer Reviews

Stephen L. Harris is Professor Emeritus of Humanities and Religious Studies at California State University, Sacramento, where he served ten years as department chair. A Woodrow Wilson Fellow, he received his M.A. and Ph.D. from Cornell University. A member of the Society of Biblical Literature, his publications include *Understanding the Bible* (8th edition, 2011); *The Old Testament: An Introduction to the Hebrew Bible* (with Robert Platzner); *Classical Mythology: Images and Insights* (with Gloria Platzner); *Exploring the Bible*; and *Fire Mountains of the West: The Cascade and Mono Lake Volcanoes*, a survey of volcanic hazards on the U.S. Pacific Coast; and for National Geographic Books, *Restless Earth*, a study of global earthquakes, tsunamis, and volcanic eruptions. He contributed the chapter on "Archaeology and Volcanism" to the *Encyclopedia of Volcanoes* (Academic Press, 2000).

Enjoyed reading!!

Very rarely do we find books, articles, news, facts, whatever that remains unbiased in the face of a heated topic such as religion or in this case The Bible. Harris' "Understanding The Bible" is just that work though. I was asked to buy this book in tangent with a copy of The Bible and used this tool as another source for understanding and being able to react to The Bible. From the perspective of someone trying to learn more about one of the most influential compilation of works to-date, Harris' nonsectarian guide hits the spot. Although that class was over a semester go, I find myself going back to this guide and refreshing my own knowledge on some of the most talked about events of our history. While the book is geared towards students, anyone can pick it up, search for what they desire to learn more about, and easily indulge in the wealth of information this book has to offer. Bottom line is that this book is a must have, student or not, religious devotee or not. 5
Illuminated Stars out of 5!

Great experience couldn't ask for more!

This textbook helps when taking the college class.

Ordered for a class. Heavy material to cover. Wish it were available via kindle when you purchase. Expensive book.

great product

Excellent!

I literally love this book. It is a great study book. I have not finished reading it because it has to be studied, digested and restudied. It has helped me to understand why some of the messages in the Bible seem contradictory and confusing. It has opened my eyes to so much history, traditions, literary writings and so much more. It is so much I love about this book that I can't really explain. I am so thankful that I found it and I can see why God allowed me to find it at just the right time in my spiritual walk.
