Brit Wit 2017 Day-to-Day Calendar: The Perfect Riposte For Every Social Occasion

Synopsis

Ricky Gervais attributes the difference between American and British wit and humor to the fact that, "Brits are more comfortable with life's losers. They embrace the underdog until it's no longer the underdog." Whereas, "Americans don't hide their hopes and fears. They applaud ambition and openly reward success." This day-to-day calendar highlights these differences with quotes, quips, and gibes from Britain's finest for those who appreciate true Brit Wit.

Customer Reviews

Meh ...nothing new here..too many trite expressions and a soupçon of wit. I think they stuck Mr Shakespeare on the cover hoping to capitalize on the association to the Shakespearean Insults (calendar). I'd rather have a third year of "Insults" than another day of "Wit"

Fun, arrived when expected and provided a great gift.
