Customer Reviews

Book by COTTEN DOYICE J, WOLOHAN JOHN

When the book arrived, the cover was almost completely torn off and many of the pages were bent so I had to tape it myself so it was usable. Along with this, there were tons of paperclips still inside the pages and I continued to find more as the semester went on.

I received this book damaged. When I returned it I was charged for the damages.

Required for class and HIGHLY interesting. I'm learning a lot!

Everything was in order!

Good book
