Writing For Academic Success (SAGE Study Skills Series)

Synopsis

Writing for Academic Success is a vital practical guide for any graduate student. The authors show you how to acquire communicative rigor in research essays, reports, book and article reviews, exam papers, research proposals, and literature reviews, through to thesis writing, posters and papers for presentation and publication. This Second Edition has been fully revised to reflect the online learning explosion. The authors provide insightful new material about how to work productively in different online contexts such as with blogs and wikis, setting up an e-portfolio, and raising an online profile. They also set out a focused guide to issues unique to digital communication, and working with and across different media and technologies.
