The Irish Pub Cookbook

Synopsis

Talk about the luck of the Irish! One of the most beloved of Irish institutions (there are more than one thousand in Dublin alone), the traditional pub has served generations as the venue for local gossip, sporting news, a ceilidh or two, literary soirees, real estate deals, political debates, revolutionary plots, and, lest we forget, for knocking back a pint of Guinness or a "ball of malt." The food's not bad either—as The Irish Pub Cookbook so deliciously demonstrates. It's a celebration of over 70 pub classics: thick soups and stews; savory tarts and meaty pies; big bowls of salad (times change!); and desserts of the seconds-are-always-appropriate variety. There's shepherd's pie, fish and chips, seafood chowder, and whiskey bread pudding for those with a taste for the quintessential. Contemporary specialties such as Bacon, Blue Cheese, and Courgette Soup; Salmon Cakes with Dill and Wine Sauce; Braised Lambshanks with Red Currants; and White Chocolate Terrine spotlight modern Irish cooking's richly deserved acclaim. Complete with pub photos, history, and lore, nobody leaves hungry when The Irish Pub Cookbook is in the kitchen.

Customer Reviews

Fantastic! This is one of my favorites out of a very extensive collection. Highly recommended to anyone interested in Irish or pub cuisine.

Nice book with interesting background information about Irish pubs and foods served in various locations. Many recipes to try. Really nice pictures.

I got all crazy watching The Great Irish Bake-off and started buying a bunch of Irish cooking books; this is one of them, and it is outstanding. I've turned down the corners on probably 15 recipes, and the one I've made so far was excellent.

Being Irish it's just fun going through the book...

Really enjoyed the memories it evoked. Food is a great instigator of experiences.

Thank you.

Excellent

Not only are the recipes great, but the stories that tell of history/origins/traditions/culture/food are enjoyable to read. There are great resources at the back for hard to find ingredients and options given if you do not have access to some of the specialty foods some of the recipes call for. Our family favorite is the Ennisceoe Celery and Blue Cheese Soup on page 36.
