Customer Comments: "My doctor charged me \$125 for a seven minute consultation for my hair loss problem. He referred me to a hair transplant specialist. They said the \$200 free consultation fee would be deducted from my overall bill if I elected surgery. Until then I was responsible for the \$200. My hair stylist said she stayed so busy she didn't have time to chat. I definitely consider your information to be one of the best bargains to be found. - Doreen K. (we've received quite a few similarly themed letters) "I tried a couple of the ingredients regularly and my hair loss dropped to a few hairs" | My total cost is about four dollars a month. - Jerry U. I believe your information is years ahead of anything on the Internet. It covers dozens of things for treating hair loss I didn't even know existed. - Becky G.
