Managing Discovery Of Electronic Information: A Pocket Guide For Judges

Synopsis

This pocket guide is designed to help federal judges manage the discovery of electronically stored information (ESI). It encourages judges to actively manage those cases involving ESI, raising points for consideration by the parties rather than awaiting the parties' identification and argument of the matters. The guide covers issues unique to the discovery of ESI, including its scope, the allocation of costs, the form of production, the waiver of privilege and work-product protection, and the preservation of data and spoliation. As you are reading, you may encounter some unfamiliar terms. Many of these terms are defined in a glossary at the end of the guide.

Book Information

Paperback: 34 pages

Publisher: CreateSpace Independent Publishing Platform (January 1, 2017)

Language: English

ISBN-10: 1541388526

ISBN-13: 978-1541388529

Product Dimensions: 6 x 0.1 x 9 inches

Shipping Weight: 3.5 ounces (View shipping rates and policies)

Average Customer Review: Be the first to review this item

Best Sellers Rank: #1,893,717 in Books (See Top 100 in Books) #90 in Books > Law > Rules & Procedures > Court Rules
